

what you need to know about Information Privacy

your Health

To help us provide you with better health care, we collect personal health information about you.

your Information

Your information may be stored in paper and electronic form and constitutes your medical record.

your Privacy

Doctors, nurses and other health service staff involved in your care have access to your medical record to ensure you receive the best care. All staff who handle the record do so in accordance with NSW privacy law.

For more information about privacy matters, please take the **Privacy Leaflet for Patients** or visit the NSW Health website at www.health.nsw.gov.au
